

Chimney Sweep[®] Soot Destroyer

Item C16, C38

- For use in non-airtight free-burning fireplaces, wood or coal stoves, and furnaces
- Cuts fuel costs
- Helps prevent chimney fires

Description:

A dry powder that requires heat to control soot deposits in chimneys. It helps cut fuel costs and helps prevent chimney fires.

Performance Characteristics:

- Controls soot deposits
- Easy to use

Recommended Uses:

For use in non-airtight free-burning fireplaces, wood or coal stoves, or furnaces.

Surface Prep:

Start with a clean chimney.

Application:

Free-burning woodstoves and Fireplaces:

Sprinkle 1/2 cup of product on red hot fire. Repeat twice a week throughout the heating season.

Furnaces:

Sprinkle 1/2 cup product on red hot fire. Repeat for 4 days and then brush off any deposit left on water jacket or tubes. Thereafter, use 1/2 cup twice a week. For larger furnaces, use 1 cup per application.

Typical Physical Properties:

Active Ingredient	Proprietary mixture
Consistency	Powder
Flashpoint	N/A
Color	Red

Storage/Handling

Store in a dry place

Limitations:

To remove creosote build-up in airtight stoves, use Rutland Creosote Remover.

Warranty and Limited Remedy:

This product will be free from defects in material and manufacture for a period of eighteen (18) months from date of manufacture. Rutland Fire Clay Company makes no other warranties including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose. User is responsible for determining whether the Rutland Fire Clay Company product is fit for a particular purpose and suitable for user's application. If this Rutland Fire Clay Company product is defective within the warranty period stated above, your exclusive remedy and Rutland Fire Clay Company's sole obligation shall be, at Rutland Fire Clay Company's option, to replace the Rutland Fire Clay Company product or refund the purchase price of the Rutland Fire Clay Company product.

Limitation of Liability:

Except where prohibited by law, Rutland Fire Clay Company will not be liable for any loss or damage arising from this Rutland Fire Clay Company product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.

CAUTIONS:

Harmful if swallowed. Irritating to eyes. If swallowed, drink 2 glasses of warm water and contact a physician immediately. In case of eye contact, flush thoroughly with water for 15 minutes. If contact with skin, wash with soap and water.
